## In Saumur

The region is very touristic, so there are plenty of things to do.

You will get the chance to enjoy the warm welcome that locals usually give to visitors. Indeed, there is a real tradition of welcoming tourists in the Saumur countryside.

Here is a list of places that we like :

- The château de Saumur : a must-see.
- Wine cellars : Saumur countryside is overflowing with them (we can exclusively give you free tickets for the Louis de Grenelle wine cellars, just ask us), for good local wine i really appreciate « domaine bobinet »
- The musée des blindés : a tank museum, startling to visit
- The zoo of Doué la Fontaine (10 minutes by car) : if you like wild animals
- The abbaye de Fontevraud : (15 minutes by car) a must see, one of the most beautiful and visited abbey of the country.
